# PRAY

- For us as we look for land and begin to work at constructing a building.
- For us as we try to love the people that God has sent us.
- As we develop systems and ministries to care for people and make disciples.
- For us as we teach and preach God's Word.
- For us as we develop a staff.

# SERVE

- We have started a Celebrate Recovery ministry on Monday nights which is reaching lots of people and is a great opportunity to serve.
- Providing lunch for three midweek ministries for kids, junior high, and senior high ministry.
- Prayerfully consider planting another church with us in the near future.
