PRAYER GUIDE 2020

SU

As you begin this Week of Prayer for the Dixie Jackson Arkansas Missions Offering, read Ephesians 3:20–21 aloud. Pray for your heart to be powerfully stirred to step out in obedience, trusting in the God Who can do immeasurably more. Pray the same over your fellow Arkansas Baptists.

MO

Praise God for the ways He has worked through Disaster Relief in the past year. Pray for open doors in Jonesboro as local churches follow up on the barriers that were broken down because of the work of Disaster Relief crews.

TU

Pray for BCM ministries across Arkansas. Pray that the collegiate ministers would have wisdom and that the faithful students would have boldness to witness to their friends across campus. Pray for the hearts of lost students to be open to receive the Gospel.

WE

Pray for Wei Lun Tay, a Malaysian student who came to know the Gospel through the BCM and the witness of his friend Caleb. Pray as Wei Lun and Caleb witness to Wei Lun's family and friends in Malaysia, that many will come to Christ.

TH

Praise God for opening the doors for Oasis Church to have a place to minister in Hillcrest. Pray that God will continue to open doors and soften hearts as Oasis Church seeks to minister to its diverse and multicultural community.

FR

Pray for the prison inmates working to earn a Christian Ministries degree. Pray for their understanding to grow as they study, and for God to open many opportunities for them to spread the Gospel among their fellow inmates.

SA

Pray for Arkansas Baptists to recognize the importance of working together for the sake of the Gospel. Pray that we will be unified in praying, giving, and going, trusting that God will take our efforts and accomplish immeasurably more through them.

SU

Close out the Week of Prayer by asking the Lord to guide you clearly to know how He wants you to step out in faith, trusting God to do immeasurably more than all we ask or imagine as you surrender yourself to Him.
