Introductions with Chad and Dave

Interview with Dean Fulks:

1. Tell us about your planting journey at Lifepoint. How did God lead you to plant? Why Columbus?
2. As you moved to Columbus and began to plant a church, what were some of the first things you did to connect with people in Columbus? How did you assess the needs of the community and find people of influence?
3. How did you get engaged with NAMB? What's it like serving in a Send City?
4. Your lead partner in Columbus is a church from Arkansas. Grand Avenue is heavily engaged with you guys. Talk about that partnership & what exactly a lead partner does.
5. Lifepoint has 3 campuses. Why campuses instead of plants? Are campuses plants? What are the pros & cons?
6. How do you determine where a campus needs to be & where do you find your campus pastors?
7. If you could say one final thing to church planters, what would it be?
