Introductions with Chad and Dave

Interview with Wyman Richardson:

1. Tell us about your ministry journey leading up to and including your stint at Central Baptist church in North Little Rock.
2. As you guys have partnered with a few different church planters over the last few years, what are some common expectations that you guys have as a partner church of church planters that helps you guys be a better partner church?
3. You've done church planting assessments on several church planting couples, so what are some common things that you've seen: strengths, weaknesses, vision, challenges, etc...
4. Preaching is a passion for you, so talk about how you prep and ways you develop that skill. You're more expository in preaching vs. sermon series, so unpack that a little.
5. If you could say one thing to our church planters what would it be?
