Introductions with Chad and Dave

Interview with Greg Addison:

1. Tell us about your ministry journey leading up to and including your stint as the Associate Director at the ABSC.
2. You have said multiple times that church planting was one of the big reasons why you came to work at the ABSC. Unpack that a little and talk about why church planting is so important for the ABSC.
3. You pastored at FBC Cabot before coming to the ABSC and you guys were involved in several church plants. How did you get your church involved and what are some of the things you did to lead them to be a part of church planting.
4. When people ask you why we need more churches, what do you tell them?
5. What were the effects on your people who participated and the church as a whole after partnering with church plants?
6. If you could say one thing to our church planters what would it be? One big piece of advice to help them?
