Introductions with Chad and Dave

Interview with Mike:

1. Tell us about your ministry journey leading up to and including planting Garage Church.
2. In planting Garage Church you had a couple of twists and turns in the journey that led you from one group of people in Hot Springs to very different segment of the population.
3. You have waded into a lot of broken lives in Hot Springs. What are some of the major things you've learned in working with people who have been largely marginalized.
4. Share some of the biggest God-sized moments you've seen happen over the last few years.
5. What are your biggest challenges for which people could pray or join in with you through partnership?
6. If you could say anything to churches who long to minister and care for those in poverty or those with some really broken lives, what would it be?
