Introductions with Chad and Dave

Conversation with George:

1. Ministry journey to NOLA
2. You were part of a plant in MS that led to a Network being started and a church planting movement occurring in North MS. Talk about how all of that came about and what all the Lord did through the One8 Network.
3. What would you say are the 5 most important aspects of a church planting network/movement?
4. Tell us what's unique about New Orleans in regard to church planting. What are the unique challenges and opportunities? Tell us a story about a church plant you are working with there?
5. You are involved in a replant now. Why be involved in local church ministry again? What do you miss about the local church in your role? How do you balance that?
6. While New Orleans is in the south, it is a very multi-cultural city. As you work with a lot of different church planters in and around New Orleans, what are some of the things your church planters are doing well to connect their post-Christian environment.
7. One thing to tell church planters.....
