### Interview with Andy Whitten

#### Questions:

Share a little about your journey in planting The Root

What do you think are the biggest strengths and challenges to Bi-vocational Church planting?

Your desire to plant bi-vocationally is not just driven by mission, but also by ecclesiology. Unpack that a little.

We've talked a lot about what it looks like to be a missionary in the work place.

Many people want to do that, but they don't know how. What encouragement could you give them? How has it gone for you?

What is it about Jesus that seems to connect with the guys with whom you work?

What do you know now that you wish you had known when you started your ministry journey?

If you could share one thing with aspiring church planters what would it be?

#### Rapid Fire:
