##### Questions:

Share a little about your journey in ministry up to and including planting Otter Creek Community Church.

Talk about some of the unique aspects of replanting a church in a community. Otter Creek Baptist Church shut down and Otter Creek Community Church emerged. Talk about that process.

What are some things you know now that you wish you would have known then in regards to replanting a church?

Otter Creek has really become a great reflection of it's neighborhood/community, so talk about building a multi-ethnic, multi-generational church – unique challenges, things you've done to keep everyone moving in the same direction.

What has been the most exciting thing that God has done in your church-planting journey – Personally or corporately?

If you could share one thing with aspiring church planters what would it be?
