#### **Essential Questions: Part One**

##### Questions:

- How do I know God is calling me to plant a church?
- Beyond the calling, how strong of a role should the people and place he's calling us play?
- How many good solid leaders should you have before you officially "launch"?
- How prominent of a role does the weekend service play in starting a church?
- What are essential elements to a good church planting vision that all leaders need to buy into before you launch?
- What are some of the expectations that need to be clarified before launch?
- As a planter, how do you build a support structure around you for prayer, encouragement, accountability, and finances?
