

How To Become A Messenger

- Each church is allowed messengers based on the total membership.
- A messenger must be elected by his/her local church.
- The local church will provide a messenger card to those elected.
- Each messenger shall bring their messenger card to the registration desk at the Annual Meeting.
- Messengers will receive a program, Book of Reports and Audits, and ballots.

Anyone can attend the Annual Meeting but only messengers can vote during the business meetings.
