

Sanctity of Human Life Sunday

I knew you before
I formed you in your
mother's womb.
Before you were
born, I set you apart.
Jeremiah 1:6

January 20, 2019

On January 20th, Arkansas Baptists will recognize the Sanctity of Human Life Sunday. For some women this can make the difference of choosing life or not. It is an opportunity to speak the truth in love about abortion. It is an opportunity to stir in someone's heart the need to make a difference in the life of a woman and her expected child. In America alone, there are almost three abortions every minute. That is 3,400 lives a day that are taken. Be a part of *changing* this statistic for 2019 by learning, praying, giving, and serving.
