POTENTIAL TIMELINE

Participation in the Who's Your One emphasis does not require following an official timeline. The focus should be perpetual. However, following a churchwide timeline may be beneficial in creating congregational enthusiasm and unity around Who's Your One. With that in mind, below is a timeline to consider using in your church.

Pre-Launch (3-4 weeks before week 1):

- Commit personally to participate in Who's Your One and identify your One
- Meet with leaders
 - Explain the emphasis
 - Share the name of your One
 - Encourage leaders to identify their One
- Plan the details of the emphasis
 - When will the emphasis begin?
 - How will we track congregational participation?
 - How will we celebrate how God is working through Who's Your One?
- Order Who's Your One resources

Week 1: Launch Sunday

- Preach first sermon*
- Create awareness and excitement
- Cast vision

Week 2: Commitment Sunday

- Preach second sermon*
- Distribute prayer guides and bookmarks

Week 3: Day of Prayer

- Conclude with a time of commitment
- Instruct the congregation to start the 30-day prayer guide

Week 4: Third sermon*

Week 5: Fourth sermon*

Week 7: Big Day

- The Big Day may be Easter, Christmas, a revival, or another event

*Note to pastors: The sermons at whosyourone.com are a suggestion for weeks 1-2 and 4-6. However, you are free to prepare and preach any sermon at your discretion which focuses on the need for reaching the lost.
