Instructions for Scoring:

1. Make an X by the appropriate call number when: a participant gives an incorrect response, raises his/her hand indicating an error, or fails to step out within the time period.
2. Only one mistake can be scored against a participant on any one call.
3. After the drill, calculate the subtotal of each category by multiplying "the points per call" per error.
4. To calculate the "Total Score," subtract total points missed from 100.
