Acknowledgement

I want to commend to you three wonderful servants of the Lord for the work they have done in helping us provide a quality resource for church planters. Lewis McMullen a Church Planter Missionary out of the Suncoast Baptist Association in Clearwater, Florida was the originator to the initial materials that went into the development of the workbook. Lewis has demonstrated exceptional work with a kingdom mindedness.

Gary Irby serves the Puget Sound Area over in Seattle, Washington as a Church Planter Missionary and has contributed many of the sample Church Planting Proposals for the Church Planting Village web site. Gary also brings great commitment and passion for the cause of Christ.

Lastly, my friend and fellow co-worker, George Thomasson has given me much advice and helpful suggestions for making the manual and web site something that will help church planters create their first church planting proposal.

My prayer is that the kingdom will be expanded as a result of these kingdom minded individuals and the cause of Christ will be extended by the evangelistic passion of the planters who use these resources.

Introduction

In Luke 14:28-30, we find Jess speaking about planning. He states "Suppose one of you wants to build a tower. Will he not first sit down and estimate the cost to see if he has enough money to complete it? For if he lays the foundation and is not able to finish it, everyone who sees it will ridicule him, saying, 'This fellow began to build and was not able to finish.'" (NIV)

This statement is also true when one feels that God has called them to plant a church. The cost must be considered. What is this new church going to look like? What will make this church different? What is God asking this new church to do? These questions and others must be considered if the task of planting a healthy reproducing church.

Contained in this workbook are worksheets that will help you develop a church planting proposal. The proposal will include an explaining the need for a new church in your areas of ministry, purpose, statement, core values, vision statement, budget, worksheet for launch day and neighborhood ministries.

Consider each worksheet carefully and prayerfully. Do not be like the man with the tower. Complete the task that the Lord may be glorified and His Kingdom extended.
Prayer Ministry

The first step in planting is to earnestly seek God in prayer on matters. Jesus never did anything in His ministry that he did not consider the Father in prayer. John 8:28 Jesus said, “When you have lifted up the Son of Man, then you will know that I am and that I do nothing on my own but speak just what the Father has taught me. (NIV)

One of the most important things that you can do is to “bathe” all that you do in prayer. From the first ideas of the new church, through the rest of your ministry, you need to pray for God’s direction and protection.

**Action Plan**

1. Pray and ask God to raise up intercessors for you, your family and ministry.
2. Make a list of possible intercessors.
3. Invite them to join your team. (Note: It is recommended to have at least 20-30 intercessors. It is important to have an inner 3 who you can contact at any time.)
4. Clarify and covenant upon prayer commitments. (Note: Maintain contact monthly.)
5. Pray for your intercessors at least weekly that God will protect them. For examples look at Paul’s prayers for the various churches.
6. Renew covenants yearly.

Demographics
“Knowing Who You Are Trying to Reach”

One of the first steps in planting a new church is to learn all you can about the people and community where you are planting your church. Ongoing research about your community should always be a priority of every church and minister.

You want to meet the needs of the people in your community, therefore you must understand what the needs are.

Plan to invest 15-20 hours to complete a thorough demographic study.

Results of A Good Demographic Study

Once you have conducted a good demographic study, you will be able to answer the following questions:

• What kind of people are in the community?
• What community trends will affect the starting of a new church?
  • Who is my target ministry group?
  • What are the needs of this group?
Steps to a Demographic Study

- **Identify Sources of Information**
  SCAN US: Available through many State Convention offices. Check with your State Director of Missions or Church Planting Leader.

  NAMB Demographic Report provided by the Research Department
  Demographics Center North American Mission Board, SBC. (770) 410-6577

  [www.churchplantingvillage.net](http://www.churchplantingvillage.net)
  Once you are on the web click on “Community” and go to the “Where You Live” icon. Click on the icon and once it is up type in your desired zip codes for a study of the possible 62 cluster groups which make up your particular target area.

  NOTE: All of these reports provided detailed information on any community. Both agencies will either need a street address in the targeted area or census tract of the area. Census tract numbers can be provided by your county planning office or local Baptist Association.

  Local Library

  Chamber of Commerce

  Newspaper Research Department

  County Planning Commission

  New Orleans Baptist Theological Seminary

- **Define the Geographical Boundaries of Your Field**
  After exploring the demographic material, decided on your area of ministry boundaries. This should be no greater than a two to three mile radius of the community you are trying to reach. It is suggest that two miles be enough due to outreach budget constraints. (i.e. mailings and door to door survey.)

- **Take A Wind-Shield Survey of the Area**
  Drive through the community and note the people, houses, businesses, schools, churches and recreation centers. Look for such things as playground equipment, bikes, number of houses for sale, and recreational equipment. BE A DETECTIVE, LOOK FOR CLUES ABOUT YOUR COMMUNITY!
• Answer these probing questions:

1. What type of community is it?
   _____ Inner City    _____ Establishing neighborhood
   _____ Suburb       _____ Small Town
   _____ Rural area   _____ Scattered Ethnic Community

2. Are there any large populations that relate to an institution such as college, military base, club or other?

• Conduct A Community Needs Survey

Survey Questions

1. Are you an active member of a nearby church?

2. What do you think is the greatest need of this community?

3. Why do you think most people do not go to church?

4. If you were looking for a church, what kind of things would you look for?

5. What advice would you give me as a pastor of a new church? What could I do for you?

6. Are you interested in receiving more information on the new church?
## DETERMINING THE NEED FOR NEW CHURCHES IN YOUR AREA

1. List all evangelistic churches in your community or target group and include their seating capacities.

<table>
<thead>
<tr>
<th>Church</th>
<th>Seating Capacity</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>

</tr>

<td></td>
</tr>
<tr>

</tr>
<tr>

<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

2. Multiply total seating capacity of all churches above by 2 to derive the outreach potential of existing churches.

Total Seating Capacity _______ x 2 = _______ Outreach Potential

3. What is the population of your community or target group? _______

4. Subtract the outreach potential of existing churches from community population.

Community Population _______ - Outreach Potential _______ = _______

This is the number of people in your community who cannot be effectively reached and discipled by existing churches. This is the *lowest* number of un-churched people in your community. The actual number is generally higher as most churches have only one service and still do not fill their seating capacities.

5. To effectively reach a community would require about one church per thousand people in the community. Divide the number of un-churched people by 1000 to determine the number of new churches needed.

Un-churched _______ / 1000 = _______ Number of new churches needed.
Read the scriptures listed below. What do they say about the purpose and mission of the church? How may they help you develop a purpose statement for your church?

Developing Your Vision Statement

Ephesians 3:20 “Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us.” (NIV)

Vision Must Be:

- God Given: Comes through prayer and communion with God
  - Future Focused
  - Flows out of God’s Purposes for the Church
  - Seeks God’s Assignment for Your Particular Ministry

Test of Godly Vision

- Should promote faith not fear.
- Should motivate people to action.
  - Requires risk taking
  - Glorifies God not people

(adapted from How to Plant A Church in the 21st Century by Bob Logan and Tom Clegg)

Remember: Vision is cultivated by extended times of prayer with God about the purpose of the church, the community to which you are called and a seeking of what God wants done in your field of service.
Writing Your Vision Statement

If this new church could do any thing for God in the next 5 years and know that it could not fail, what would it be?

HOW ARE THESE 10 VALUES LIVED OUT IN YOUR CHURCH?

We believe that anointed teaching is the catalyst for transformation in individual’s lives and in the church.

* 

We believe that lost people matter to God, and therefore, ought to matter to the church.

* 

We believe that the church should be culturally relevant while remaining doctrinally pure.

* 

We believe that Christ’s followers should manifest authenticity and yearn for continuous growth.

* 

We believe that a church should operate as a unified community of servants stewarding their spiritual gifts.

* 

We believe that loving relationship should permeate every aspect of church life.

* 

We believe that life-change happens best in small groups.

* 

We believe that excellence honors God and inspires people

* 

We believe that churches should be led by those with leadership gifts.

*
We believe that full devotion to Christ and His cause is normal for every believer.
1. **Love Jesus Christ**

   No one can love God for us. We must individually stay connected to Christ, through an abiding relationship (John 15). Through the word of God, prayer, personal worship and obedience we can love God with heart, soul, mind and strength.

2. **Be Connected Through a Small Group**

   Community Groups help us develop caring relationships with one another. In this small group context we can get to know people, hold each other accountable, and offer newcomers a place to belong.

3. **Build Friendships With Non-Christians**

   We can always be on the lookout for ways to reach out with the love of Christ to those who are teetering on the edge of a Christless eternity. By building relationships with non-Christians we may eventually be able to communicate the life-changing message of salvation through Jesus Christ.

4. **Participate on Sunday Mornings**

   Weekly we gather to celebrate God’s goodness, be exposed to the word of God, and catch-up on family news. Our contemporary worship services provide ministry to believers and an open door to visitors and non-Christians in the community.

5. **Pray Regularly**

   When we pray we participate in the unseen spiritual world. Ministry is a battleground that needs to be constantly reinforced through prayer.

6. **Give Generously**

   Ministry takes money. Giving may be one of the most tangible expressions of our faith. Believers are encouraged to give generously and sacrificially to the ministry of Carroll Community Church.

7. **Serve Faithfully**
Christianity is not a spectator sport. Service is love in action. Through our God-given gifts and talents we find fulfillment and participate in the work of God in the world.

VISION STATEMENT EXAMPLE:

“As God enables, we will develop a congregation of 1,000 people called the Church of the Good Shepherd. We will: worship, the Shepherd, fee the sheep, and find the lost. The church will be equi-distance between the University of North Carolina, Duke University and the Research Triangle. In time, we will start other congregations in each of these three locations.”

COVENANT AGREEMENTS

RELATIONSHIP TO SPONSORING CHURCH

1. Membership of The Country Music Church will be in the sponsoring church until the project becomes duly constituted Baptist Church. The object of the project is to become a self-governing, self-propagating, self-sustaining autonomous Southern Baptist Church.
2. Baptism will take place in the sponsoring church sanctuary or at any other place where water is available and permission is given by the Small Groups pastor. Baptism can be administered by the small group leaders as well as pastors. The
Lord’s Supper will be administered in the Small Group meeting by the group leader.

3. Offerings received from the project will be in a separate account designated specifically for the support of The Country Music Church.

4. The yearly operating budget will be developed cooperatively by the sponsoring church, the Stewardship/Finance Task Force group, and pastoral leaders.

5. Major decisions which determine non-budget expenses, direction of the church, constituting, name changes, etc., will be made through small groups. Total church business meetings will not take place unless called by the pastor leaders.

6. The sponsoring church will have authority over the membership role until The Country Music Church is able to constitute into a church, pay any rental fees, and repay the sponsoring church for any funds incurred while the sponsor. Supervision of pastor leaders will be within the mission church structure as identified through job descriptions. The sponsoring church will support, encourage, counsel, advise, and hold the right to withdraw support and meeting place at any time. The Country Music Church is not beginning as a mission but as a strong work designed to function as a competent church. Founding pastor and leaders are competent, bivocational, experienced people who are self motivated and can be supervised within the job descriptions.

PUBLICITY

1. Yellow Pages
2. Public announcements over Country Music radio
3. Billboards
4. Automatic telephone dialing
5. The Publicity Task Force will direct the publicity

STARTING DATE

The starting date will be determined by the availability of a celebrity to inaugurate it, the calendar of activities of the founding pastor, and the resources of sponsoring church. Organization will be in place and leadership including band and pastor leaders identified and committed.

DISCOVERING AND TRAINING GROUP LEADERS

(See Dale Galloway material, Serendipity, Meta Church concepts). Small groups will utilize Southern Baptist material for Bible Study. Some leaders will be available from sponsoring church. Opportunity for volunteering for small group leadership will be given during the first three months of celebration services. These volunteers will be screened, and trained in the areas of leader, apprentice, host, and hospitality. The object of gathering leadership in this manner is to make this model transferable in other cities which do not have a church culture.

Covered above

CELEBRATION BULLETIN

The system includes a special Country Music notebook (5” by 8” size) with logo which will accommodate the three-hole-punched handouts each Sunday. The handouts will include the Scripture passage or texts, outline of coaching session, and announcements.

OPEN WORSHIP

The preaching/coaching session will be open for dialogue. Questions can be asked from congregation. Testimonies and sharing can be given from the congregation. Prayer can occur anytime.

DENOMINATIONAL COOPERATION

10% of the budget will be given to missions through the Cooperative Program. 3% of the budget will be given to the local Baptist Association. Lottie Moon Christmas offering and Annie Armstrong Easter offering will be taken. 10% of the budget will be used to reproduce this model in other cities of the world. Atlanta’s Country Music Church will be a fully cooperating Southern Baptist Church with national, state and local entities. If it ever ceases to be a Southern Baptist Church, its assets will be given to the local Association. Southern-Baptist- published materials will be given first priority.

INVITING PEOPLE TO CHRIST

Major evangelism will take place in the small groups. Invitations to accept Christ may be given in the celebration service. This may not be the case in all services. It may not be the case in cities of unchurched culture. The invitation will be sensitive to the target people group and accomplish in a non-embarrassing, non-manipulative manner. Counselor-ushers will be available for personal consultation.

PASTOR DRESS

Culturally acceptable to the people group. May not wear tie or coat. May be western cut clothes, or jeans, may wear a western hat and boots.

SERMON PRESENTATION

Not over 30 minutes. Use of modern English translation of the Bible recommended. Entrance level Christian vocabulary. No “in-house” words or stories used. Applicable to
present needs. Use many illustrations. See “How To Reach Secular People” by George G. Hunter III for approaches to secular society. Personal not: I see the pastor using a clip board with his notes attached instead of large Bible in hand. The concept of Head Coach seems appealing to this generation. The authoritative pastor is a turn off to many. The Lord Jesus Christ is Owner/manager. The pastors are player/coaches, the members are players. Most secular people understand game terminology.

BUSINESS PROCEDURES

Recommendations for budget come from the Gifts/Interest task force groups. Administrative Pastor combines budget and oversees organization. Small groups (members only) vote on church matters. Try to maintain simple organization. Issues come to the church through the Gifts/Interests task force groups. Individuals will make presentations to these groups for church action. Pastors, and Leaders of Task force groups coordinate and prioritize recommendations from individual task force groups and determine time and materials for small group vote. Only issues not covered in budget are voted on. If a task force recommends an issue, the small groups will vote on it.

MINISTRY

The Ministry Task Force will determine the logistics of ministry. Atlanta’s Country Music Church will work through existing organizations, first, before it will add to its
organizational structure. The church will encourage its members to attend other churches for Christmas and Easter pageants

FELLOWSHIP

Nurture and socializing will be the responsibilities of the small groups. Two Church Wide socials will be held each year. The Gymnasium will be sued as scheduled by the church and approved by the Sponsoring Church.

CHILDREN AND YOUTH

A nursery will be provided. Sunday School will be provided during the celebration when leaders have been elected. Youth will have their own small groups meeting any time. The celebration will be a family affair. The Youth Task Force will plan and determine those activities that will reach young people. The Children’s Task Force will determine and plan those activities that will minister to children.
