

## TRAINING MODULE 5

### WORKSHEET

**Growing from a Healthy Place:** Think about the development of ministry to women in your local church. Why are you at a healthy place? Who are the people God used? What are the steps of obedience leading to this place? How has God shown Himself faithful? Journal your thoughts below.

**Healthy Ministries Produce Spiritual Outcomes:** Being at a healthy place, means spiritual outcomes are happening in and through the women you lead and serve. Take a few minutes and journal about the spiritual transformations happening in the lives of women.
